

Kansas Recreation and Park Association Recovery Plan

May 4, 2020

Introduction

In response to the spread of the novel coronavirus COVID-19, Governor Laura Kelly issued Stay at Home orders as a public health mitigation strategy to slow the spread of the virus.

On April 27th, 2020, the Kansas Recreation and Park Association established a Recovery Planning Task Force to make recommendations of how to responsibly remove the Stay at Home order while continuing to protect the community's health and safety.

The primary goal of the task force is to recommend a phased approach to the re-opening of recreation and park facilities. Included are some areas for gatherings based on percentage of people in an activity zone in the facility or sports complex, not overall facility or complex.

It must be understood that this will be on a 'trial and error' basis. There will be an increased risk of exposure to our patrons and thus, increased risk of serious consequences. We must realize that we may need to again implement the same or even stricter measures if we find evidence that wide-spread transmission is detected.

These are a few key points that will affect the recommendations moving forward:

1. There is a lot about COVID-19 that we do not know. This plan is based on the best information that is currently available and may change as our knowledge improves.
2. How the orders are lifted is a key determinant.
3. Until a vaccine or other therapeutic interventions become available, some level of social distancing will be required.
4. The KRPA Recovery Plan is a fluid, working document. Please be sure to check the date to be sure you are viewing the most recent version.
5. Different parts of the state are seeing different levels of COVID-19 activity thus; the four phases above could be tailored to each local jurisdiction's needs.
6. Detailed guidelines for implementing the Recovery Plan will be released next week.

	GYMNASIUMS/RUNNING TRACKS/ GROUP FITNESS STUDIOS/ GENERAL RECREATION SPACES	FITNESS CENTERS	INDOOR POOLS	LOCKER ROOMS/ SHOWERS	MEETING/ MULTI PURPOSE ROOMS	MUSEUMS/ART GALLERIES/ART STUDIOS	RESTROOMS (INDOOR)
